

To install and log in to the app on your phone:

1. On your mobile device, open [\[the link here\]](#).
2. If you are on **iPhone**, tap the **Share** icon. If you are on **Android**, tap the **three dots** menu.
3. Select **Add to Home Screen** to install the app.
4. Once the app appears on your home screen, tap to open it.
5. On the login page, enter the email address linked to your season tickets & password. If you have not used the app before, please use the create account link in the bottom left corner

Resetting your password

1. On the **Forgot Credentials** page, enter the **email address we have on file for your corporate season tickets**.
1. Tap **Send Instructions**. You will receive an email that allows you to **reset or create your password**.
1. After logging in, your **season ticket** will be visible in your account.

Accessing your tickets

On the homepage, Click on your tickets

Found 1 Order

Orders

View Tickets

On this page, you will see your season ticket, along with your arena block, row and seat number.

Sharing Your Tickets

You have two options when sharing your season ticket:

1. **Permanent Transfer Only**
 - Use the arrow highlighted in yellow to **permanently transfer** your season ticket to another person.
 - **Important:** Once transferred, the ticket will no longer be in your account, and you will not be able to recall it.
2. **Temporary Share**
 - Scroll down to use the **Temporary Share** tool if you want to share your season ticket but keep control of it.
 - This allows you to call back the ticket at any time, so you remain the primary holder.

Order Date	Tue 28th Apr
Total Paid	584.50

Click on the purple share button

On this screen, you can select a friend or family member to share your ticket with.

You can also add new friends or family connections here to send tickets to.

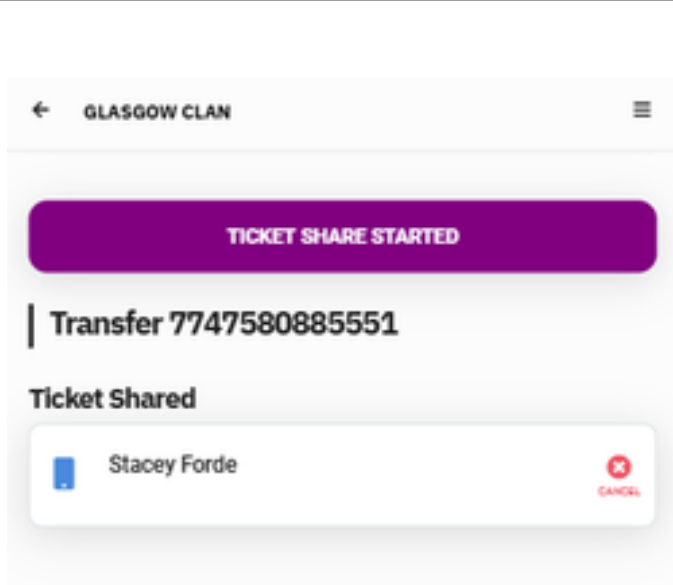

Once you click transfer, the friend or family member can accept or reject the ticket transfer via email.

Transfer in Progress

Once the ticket has been transferred, it will be displayed in your account like this.

If you need to cancel the transfer or recall the ticket, simply click the red transfer icon to return the ticket to your account.
